

**A. Answer the questions based on the text.**

Zidan : Good afternoon, I'm Zidan. How are you today?

Said : Hello, Zidan. I'm doing well, thank you. I'm Said.

Zidan : It's a pleasure to meet you, Sarah. I'm an engineer working in the aerospace industry.

Said : That sounds exciting, Zidan. I'm a biologist specializing in marine life research.

Zidan : That's fascinating, Said. By the way, allow me to introduce my friend, John. He's a fellow engineer.

Said : Hi, John. Nice to meet you.

John : Hello, Sarah. Zidan and I have known each other since college. We both share a passion for technology and innovation.

Zidan : Absolutely, John. Sarah is a biologist with a keen interest in marine ecosystems.

Said : It's great to meet you, John. I'm always intrigued by advancements in technology.

**Questions:**

1. What is the correct name of the person who initiated the conversation?
2. What specific field of marine research does Said specialize in?
3. What aspect of the aerospace industry does Zidan work in?
4. Who is introduced as a fellow engineer by Zidan?
5. What is the common passion that Zidan and John share, as mentioned in the dialogue?

**The following text is for questions number 6 to 10**

Introducing Captain James, a skilled pilot who soars through the endless skies. Captain James is like a modern day adventurer, dressed in a sharp pilot's uniform and a hat that shades him from the sun's bright rays.

Captain James has a remarkable job — he flies people to faraway destinations. Imagine sitting in a cozy airplane seat, and Captain James is the one who ensures you have a safe and enjoyable flight. He's there to make announcements, help with seatbelts, and even serve delicious snacks.

When Captain James takes to the skies, he's treated to breathtaking views. From the cockpit, he gazes down at fluffy clouds, majestic mountains, and the vast, shimmering ocean below. It's as if he's in a magical world above the clouds.

Captain James is an extraordinary individual because he helps turn people's dreams into reality. Whether it's a family going on a dream vacation or friends exploring new horizons, Captain James is their trusted guide. So, the next time you spot an airplane soaring overhead, remember Captain James and his fellow pilots, making adventures happen high up in the sky.

**Questions:**
